I got Chandamama art book yesterday itself. what a lightning speed. When i see the art book, my 1st impression is "superb printing". In art book each and every image is having nice description in left side of the page. Why don't you mention the description of Chandamama's cover page image monthly wise? Once again thank you for sending the artbook on d Chandamama intime.

With Best Wishes,
Dr. V.V. Venkata Ramana, Hyderabad, AP
